It's hard to believe it's been ten years since we were all last together. Our lives have changed since then but all of us will carry one common bond forever. We are members of the Fairmont West High School Class of 1979. Yes, it is More Than A Feeling. It's a wonderful occurrence that after ten years so many of us have traveled from all across the country to relive our high school days and create new memories.

As your reunion committee, we have enjoyed planning this weekend for all of us. May the memories remain in our minds and hearts. And until we meet again, may we always look back to Fairmont West High School with...
