

Community Life

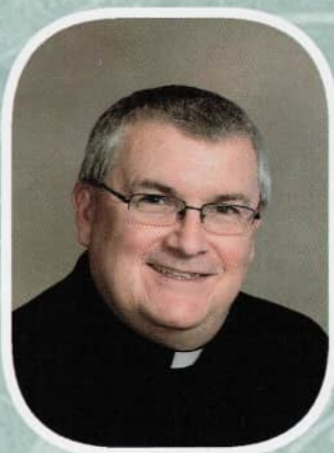

His Holiness Pope Francis
Bishop of Rome

“The parish is the presence
of the Church in a given territory,
an environment for hearing God’s word,
for growth in the Christian life,
for dialogue, proclamation, charitable
outreach, worship and celebration.
In all its activities the parish encourages
and trains its members to be evangelizers.
It is a community of communities,
a sanctuary where the thirsty come to drink
in the midst of their journey,
and a center of constant
missionary outreach.”
